This Boston Whaler 250 Outrage is a vessel from the famous American yard. These ships have the unique feature of being built as being unsinkable. In addition, the yard has been building high quality grp vessels for over 60 years. This is a little used one with low hours of operation. This sturdy vessel comes with, among other things: large open cockpit with multiple seating options, easy walk-through to swim platform, spacious lockable toilet, multiple fishing bunkers on board for keeping fish caught well, leather railings against gunwale so that it is possible to stand comfortably even with a seaway, work light on front and aft deck, r. stainless steel bollards, stainless steel rod holders, 6 x rod holders on roof, new tent on roof (2020), new engine covers (2020), lots of storage space throughout the ship, excellent sailing characteristics.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
