# ELBURG YACHTING<sup>®</sup>

international yachtbrokers

Seaworthy built aluminum long range trawler designed by Vripack Yacht Design. The vessel offers a lot of living comfort on board to make long stays possible. Besides the main drive with 1 x 280 hp Volvo Penta TAMD 61A, an emergency drive is available by the generator with a hydraulic clutch with own propeller shaft. The technique and hull are prepared for hydraulic stabilizers. The vessel was originally built by Spiro Ships Enkhuizen as 'Atlantic 55'. The stern was extended by the first owner while maintaining his model line. Originally the stern provided space for the storage of a small car, but this feature has been professionally converted to additional deck/storage space.

This Vripack Trawler features include: Portuguese bridge around wheelhouse, partially covered side and aft deck, manholes in tanks, access to technical area and engine room via hatch in aft deck, 2 x side door (SB+BB) in wheelhouse, Koopnautic follow-up steering, 2 x luxury pilot seat, access flybridge via aft deck, dinghy crane, heavy stainless steel railing all around at safe height, 4 x passage in railing for access side deck, extra storage space in stern, 2 x fixed hull keel on the side, foldable mast giving a minimum clearance height of approx. 5.30m. This vessel is CVO certified.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
