ELBURG YACHTING[®]

international yachtbrokers

Beautiful Vri-Jon Contessa 42 OC decked out in a very special metallic bronze colour and lots of light. The open cockpit has a comfortable fixed seating area with neat brown outdoor cushions, a Dometic CD20 refrigerator drawer, a large opening storage hatch, which offers ample space for your folding bikes, for example. The open cockpit can also be completely closed off with a brown tent with windows.

From the open cockpit, you easily enter the ground-level saloon through the four black-coated aluminium folding doors. Once in the saloon, you immediately notice the fixed helmsman's position equipped with a spacious settee that has enough space for two people, the dashboard that houses the Raymarine equipment. The Raymarine Axiom Plus 12 plotter provides you with all the useful information on board such as: the tank gauges, the engine info, the rudder position indicator, you can view the image from the camera on the bow, as on the transom here. You also control the light and the three bilge pumps via the plotter. The yacht has central heating + underfloor heating and air conditioning. In the saloon, space has been created for a spacious dinette and a spacious elegant kitchen equipped with, among other things, a Quooker, a Siemens dishwasher, an integrated AEG refrigerator, an ATAG induction hob with integrated extractor fan and finished with a dark stone top, which you will also find in the wet bar. The engine room is located amidships and can be accessed via the thickly insulated floorboard in the saloon.

For the purpose of connecting with the outside world, the Vri-Jon Contessa 42 OC is equipped with a Webasto electrically operable opening roof hatch that is fitted with blackout and a mosquito net. Heating is easily controlled throughout the yacht via the central panel in the saloon as well as via the panel in the owner's cabin. Throughout the yacht are power sockets, near the three berths are USB ports for charging electronics. The wet room is equipped with a luxury electric shower toilet, a washing machine and a spacious shower with glass door.

Externally, the Vri-Jon Contessa 42 OC is equipped with a triple stainless steel sea rail, stainless steel winch guides, 14 stainless steel bollards, a beautiful modern Flexiteak deck in Scrubbed colour all around the yacht as well as on the fixed bathing platform. On the foredeck, you easily operate the Vri-Jon Contessa 42 OC via the Hydronautica WRC Plug-in remote control, which gives you control over the engine, rudder, bow and stern thrusters. For onboard comfort, this Vri-Jon Contessa 42 OC also features a DMS MagnusMaster stabilisation system. All in all, this Vri-Jon Contessa 42 OC is very luxurious.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
