Well-maintained and solidly built Privateer 40 XL, built at Privateer Yachts in Uitwellingerga in the Netherlands. All around, the Privateer 40 XL is fitted with a solid deck made of cork. No savings have been made on the Privateer. The double stainless steel sea railing and stainless steel pot covers are striking. The gangways are very generous, making it easy to move around on board. The Privateer 40 XL has a very spacious open cockpit, where the steering position is also located. The open cockpit connects to the saloon via a spacious staircase. The saloon consists of beautiful mahogany interior with neat blue cushions, opening windows to port and starboard and the middle window at the front can also be opened. The owner's cabin is very generously equipped and features a spacious French bed, plenty of storage space, air conditioning and multiple opening windows with mosquito nets. The Privateer 40 XL has a spacious wet room with its own shower cubicle and two separate electric toilets.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
