international yachtbrokers

Valkkruiser 14.95 Cabrio 'Silver Merlin'. This ship has a layout with three cabins and one central bathroom. The saloon is spacious and is in open connection with the kitchen and adjoining dinette. The engine compartment can be reached via removable floor hatches in the saloon. The aft deck is on one level and offers space for your own outdoor furniture. The foredeck is flat and spacious, which offers space for a sunbed for example. Unique in this class is the Quick gyro stabilization system. With this system the sideways rolling of the yacht is dampened and sailing will be more pleasant on spacious / rough waters. In recent years, many improvements have been made on board, including: Fixed superstructure with spray hood, saloon windows with double glazing with pvc frames and the portholes have been renewed, Simrad GO9 XSE plotter, Victron inverter / battery charger, kitchen layout + equipment, superstructure of the yacht was repainted in 2022. In 2005 the 286 hp Vetuz Deutz DTA67 main engine was installed. This yacht is equipped with: Full tent over steering position, foldable bimini over aft deck, wind screen around railing aft deck, fixed stairs to bathing platform with foldable bathing ladder, Victron battery monitor display, Miele dishwasher, AEG washer-dryer combination, rudder indicator, foldable satellite receiver, stainless steel fender holders. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
