Extremely sturdy Altena Blue Water Trawler 50 - Variant (with the open afterdeck). The hull of the "Vivere" dates from the year 2001 but in 2021 the yacht was very thoroughly refitted on behalf of her current owner, with the following being addressed, among other things: Paint system hull + superstructure, DMS Stabilisers (2 x), interior parts + interior lining, kitchen equipment renewed plastic water tank, Raymarine navigation equipment, Hydronautica remote control for bow and stern thruster and controls engines, also the electrical installation (shore power, isolator, inverter and battery charger) has been renewed.

The yacht is characterised by the robust "Trawler" appearance that makes her also a widely deployable yacht. The twin John Deere engines in combination with the DMS stabilisers ensure a fine sailing experience even on the larger waters. The vertical clearance with the mast and windows down on the flybridge is appr. 3.45 metres, allowing her to sail the French canals.

The layout of the Altena Blue Water Trawler 50 is very practical. The yacht features three cabins and 2 spacious wet rooms with toilet and shower. The saloon features a spacious round seat combined with the practical galley. The open afterdeck is accessible at floor-level from the saloon and has a cosy aft seating area. The engine room is accessible from the afterdeck. From the saloon, you can easily enter the fixed wheelhouse. The fixed wheelhouse has two exterior doors as well as access to the spacious flybridge. The lower deck of the wheelhouse gives access to the sleeping quarters.

The yacht is currently on location and can be visited by appointment. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
