This beautiful Alm Classic / Hollands Welvaren 14.15 is offered for sale.

The boat is fitted with stainless steel railings all around and the deck is fitted with anti-slip paint with a Teak deck on the afterdeck. The mast can be lowered electrically and, when lowered, creates a vertical clearance of appr. 3 metres, making this Alm Classic 14.15 possibly suitable for the French canals. To ensure comfort, also when mooring, there are three guard rails: midships to starboard and port and in the stern to the swimming platform with teak. The spacious afterdeck features a Teak-lined cockpit bench under which there is plenty of storage space. Below the cockpit is a large storage hatch and access to the organised engine room. Through the sliding door on the afterdeck, the ground-level saloon + galley and wheelhouse can be comfortably reached. The wheelhouse has plenty of light through the sliding roof and the double-glazed Gebo windows fitted with aluminium window frames + window sails/sun blinds all around. Sliding doors on both starboard and port sides make the gangways easily accessible. The corridor can be accessed via stairs, with the guest cabin located directly to port. Further along is the wet room. The wet room can be accessed from the corridor and from the owner's cabin and is equipped with a spacious shower cubicle, electric toilet and washing facilities. The owner's cabin is equipped with a double French bed.

The boat features include a Kabola central heating system, 2 x DMS electric stabilisers, Electric bow and stern thruster, Stentec, PC-Navigo navigation software, Nauticast AIS, Electric anchor winch with approx. 50m of chain and a 35kg heavy stainless steel anchor, Fisher Panda 8Kw generator.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
