international yachtbrokers

The Fairline Phantom 50 is a beautifully lined and timeless fastgoing motor yacht with a solid build quality. The yacht features 3 full cabins for 6 people plus a crew cabin in the aft section. The saloon is spaciouly laid out with an attached open kitchen. The saloon and the aft deck are connected by stainless steel sliding doors. The cockpit bench is fitted with a new set of cushions, and a new teak deck has been laid on the bathing platform. New cushions have also been added to all benches and chairs on the flybridge. Technically, the vessel has been prooefen maintained over the past two years, including the installation of two new Garmin plotters, a Volvo Penta adapter for communicating within the NMEA 2000 network, renewed carpet, partial replacement of cabin wall coverings, renewing of the antifouling and zinc anodes, installation of two new diesel hot air heating units to heat the entire vessel (electric heating via the air conditioning system is also possible), replacement of propeller shaft seals and inner/outer bearings, and maintenance performed on both Volvo Penta main engines and the Onan generator. Furthermore, this Fairline Phantom 50 is equipped with: a removable tent surrounding the open cockpit, a floor hatch in the saloon providing access to extra storage space and the air conditioning system, blinds for the saloon windows, 2 x electrically operated side windows in the saloon (1 x at the helm), a TV in the owner's cabin, and a Hydronautica remote control for operating the engines (idle, forward, and reverse) and the bow thruster, fully removable cover over the entire flybridge. This Fairline Phantom 50 is currently available for viewing by appointment in Assens / Denmark.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
