ELBURG YACHTING®

international yachtbrokers

The Haines 32 Offshore is goanywhere open-cockpit motor yacht from the renowned Haines Offshore range in excellent maintained condition. This Haines 32 Offshore is designed for both leisurely cruises and sporty sailing on inland waterways, rivers, and the open sea. Thanks to its specially designed hull and powerful 260 hp Yanmar engine, the boat offers comfort at both low speeds and high speeds up to 17 knots. The yacht makes optimal use of the available space thanks to a smart layout. The open cockpit creates a direct connection to the water for an optimal boating experience. The three folding doors are equipped with screens and curtains, which enhance the connection between the outside and inside. The cockpit can be fully enclosed with a cockpit cover, making it comfortable to use in all weather conditions. There are two large storage compartments under the rear bench, and additional storage space is available in the port and starboard side compartments, for example for mooring lines, jackets, or other accessories. The saloon features high-quality woodwork and is equipped with a comfortable U-shaped bench, providing a panoramic view of the sailing area. An electrically adjustable bench can easily be converted into an additional passenger seat facing the direction of travel. Additionally, the saloon features an electrically operated sliding roof, equipped with both a sunshade and a mosquito net screen. The boat is equipped with forced-air heating in all areas. The floor in the salon, galley, and bedroom features high-quality PVC flooring. The lockable owner's cabin offers a freestanding double bed, and the salon sofa can be converted into two additional berths. The galley is luxuriously and practically appointed, featuring Avonite countertops, convenient storage drawers, and a 3-burner induction cooktop. There is no gas on board, so everything is electrically powered for added safety. The head is equipped with an electrically operated Tecma toilet, mounted on a raised platform and connected to a holding tank, with the option to discharge directly into surface water via a bypass valve through the hull. In addition, the space features a washing machine (Daewoo DWD-CV702WP, 2022) with a 3 kg capacity. For added convenience and storage, there are spacious shelves, two drawers under the sink, and a large storage compartment under the washing machine. Equipment and extras include: water tanks replaced with plastic ones in 2021, new Whisper Power 8kW generator installed in 2021, electrically operated aft hatch for added convenience, Navionics Raymarine chart update in 2024, TV on a lift in the saloon, onboard Wi-Fi router for internet (SIM card not included), 4 x solar panels with control unit (2x 39W + 2x 54W), rearview camera via chartplotter screen, searchlight, dimmers for saloon lighting, Radio/CD with USB, rudder position indicator, 12-volt power supply, shore power alarm and "Where is my boat?" system, remote control for lighting upon arrival, deck wash pump, frost-proof Gardena hose reel, also for refueling. Clearance height approx. 2.75 m. Want to experience this Haines 32 Offshore for yourself? This Haines is currently available for viewing by appointment in Aalsmeer. For questions and/or to schedule a viewing, you are welcome at Elburg Yachting 7 days a week.
