This beautiful Marex 310 Sun Cruiser is a fully equipped and exceptionally well-maintained sport cruiser. Thanks to its well-thought-out layout and comfortable handling, it is ideal for extended stays on board. The yacht has a modern, airy look, featuring a spacious open cockpit that can be fully enclosed with the rail-mounted cockpit cover.

Thanks to its deep V-hull and Zipwake trimtabs, it is very stable and offers excellent handling characteristics at both higher and lower speeds. The Side-Power bow and stern thrusters also make maneuvering much easier.

The Marex 310 Sun Cruiser is ideal for extended stays on board, thanks to its capacity for up to 6 berths, a fully equipped galley with refrigerator, oven, stove, and sink, and a full-size toilet and shower.

The yacht is fully equipped with Raymarine systems, making navigation simple and straightforward. In addition, it has recently undergone maintenance, had its stern section overhauled in 2026, features an extensive battery bank for complete autonomy, and has been stored indoors every winter. The yacht also features a spacious open cockpit with plenty of living space, three comfortable helm seats, ambient lighting in the cockpit, mosquito nets, a sturdy fender around the vessel, double stainless steel railings all around, and thanks to its smart layout plenty of storage space.

If you have any questions or would like to schedule an appointment, you are welcome to visit Elburg Yachting 7 days a week.
