ELBURG YACHTING[®]

international yachtbrokers

A very comfortable Stevenvlet 11.40, built with great attention to detail by the Klappe Shipyard in Kampen. This vessel, designed by Jan Visser Yacht Design, comes from its first owner and is in excellent condition. Thanks to its well-thought-out layout with a spacious open cockpit and an attractive mahogany interior, this round-bilge boat offers a surprising amount of living space and comfort for extended stays on the water.

The Vroege Vogel is practically equipped and features: New cockpit cover (2025), solar panels for extra autonomy, a powerful 89 hp Mitsubishi 6-cylinder engine, electric bow thruster (95 kgf) for easy maneuvering, deck wash pump, keel fins (which keep the boat stable), a folding mast resulting in a very low clearance height, Webasto hot-air heating, a 3-burner stove, a manual anchor winch in the locker, a Victron Phoenix Multi inverter/charger, and a pull-out salon bench that creates two extra sleeping spots in a snap. The boat is also equipped with an integrated swim platform with a swim ladder and an Advansea marine radio.

For questions and/or to schedule an appointment, you are welcome at Elburg Yachting 7 days a week.
