ELBURG YACHTING[®]

international yachtbrokers

The flagship of Delphia Yachts, this exceptionally practical and spacious Delphia BluEscape 1200 is now offered for sale. It is a modern Polish motor yacht with a distinctive appearance and excellent cruising characteristics, thanks to her powerful 140 HP Nanni diesel engine and narrow waterline. Above the waterline, the hull is considerably wider, providing the yacht with an abundance of interior and exterior space.

The yacht's windows are lightly tinted for added privacy, and she features a generous sun deck with foldable sunbeds as well as a large covered cockpit. This Delphia BluEscape 1200 is highly suitable for cruising throughout Europe due to her low air draft (approx. 2.65 metres / 8.7 ft) and shallow draft (approx. 0.85 metres / 2.8 ft).

Furthermore, this Delphia is equipped with electric bow and stern thrusters with remote control, a luxury design package (warm cherry wood interior), a 1600W inverter, double refrigerator, Webasto heating system, and a height-adjustable co-pilot bench next to the helm station.

For questions and/or to schedule an appointment, you are warmly welcome 7 days a week at Elburg Yachting.
